## ATRO Kits: HN® Suspension

**KEY TO EFFICIENT REPAIRS COMES WITH HAVING THE RIGHT PARTS TO DO THE JOB.**

- Ensure you have all the right parts
- One part number to stock
- Steamline the ordering process

**For additional information about the HN® kit and suspension or other popular kits and suspensions, visit the following:**

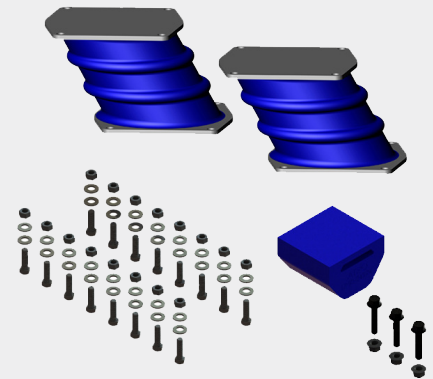

- [www.atrobushing.com](http://www.atrobushing.com) - Search "HN"
- [www.vimeo.com/user84803198](http://www.vimeo.com/user84803198)
- [www.youtube.com](http://www.youtube.com) - Search ATRO Bushing

**NOTE:** Failure to properly shim will force the load springs to accept the full load and prevent the auxiliary spring from engaging and carrying the significant portion of the load it is designed and required to carry. This produces additional stress on the load pads and may cause premature failure and could void warranty. Do not mix ATRO suspension components with other manufacturer's components. Doing so will adversely affect ride quality and may cause premature component failures.

## ATRO PARTS

ENGINEERED | DURABLE | RELIABLE  
MANUFACTURED IN ST. CLAIR, MISSOURI | U.S.A.

### KT50-25004 HN® SUSPENSION KIT

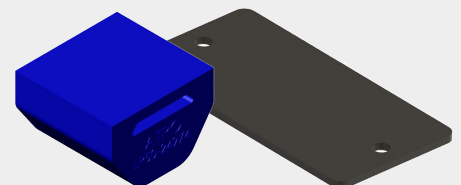

Contains:

- (1) LP50-24000  
2-Bolster Springs
- (1) LP50-24974  
1-Spring Pad; 3-Bolts; 3-Locknuts
- (16) Bolts
- (16) Locknuts
- (32) Flat Washers

### KEY PART

#### AUXILIARY SPRING & SHIM

- If the height of the unloaded auxiliary spring is 3" or less, the auxiliary spring should be replaced by Part Number LP50-24974.
- If shim is worn more than 1/8", the shim should be replaced.
- Measure distance between auxiliary spring shim (Part Number MS50-29791) and bottom of auxiliary spring (Part Number LP50-24974). Gap should not be larger than 3/8".

## KT50-25003

### Hendrickson Haulmax Suspension Kit

**CONTAINS:**

- (4) LP50-24179  
8-Bolster Springs; 4-Spacers;  
4-Flange Bolts; 36-Flange Nuts
- (1) LP50-24902  
2-Progressive Load Springs;  
2-Shims; 6-Bolts; 6-Locknuts
- (1) MS50-29891  
4-Wear Plates

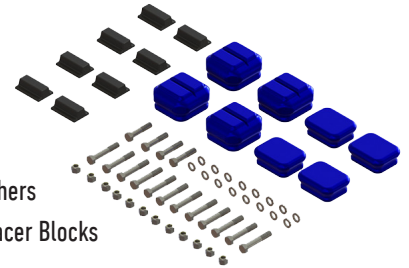

## SK62-50340

### Mack Insulator Kit

**CONTAINS:**

- (1) SK50340-HW  
4-MA36500 Upper Pads;  
4-MA36000 Lower Pads;  
4-Bolts, 7/8"-9UNC 4";  
2-Bolts, 7/8"-14UNF 5";  
12-Locknuts; 16-Flat Washers
- (8) MS62-29246 Insulator Spacer Blocks

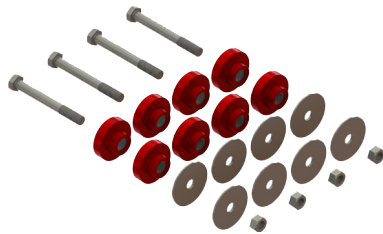

## KT62-62216-HT

### Mack Isolator Kit-High Temp

**CONTAINS:**

- (8) PL1017-HT Transmission Mounts
- (4) Bolts
- (8) Washers
- (4) Locknuts

**Replaces:**

Mack 204SX216

## EM75-61001-HT

### Peterbilt Air Cooler Mount Kit-High Temp

**CONTAINS:**

- (4) Polyurethane Mount Bushings
- (4) Polyurethane Washers
- (4) Flat Washers
- (8) Bolts
- (4) Locknuts

**Replaces:**

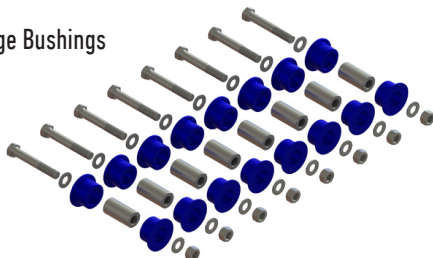

PACCAR N4751001

## PB00-26839

### Lift Axle Bushing Kit

**CONTAINS:**

- (16) PB00-36314 Flange Bushings
- (8) Inner Sleeves
- (8) Bolts
- (8) Flat Washers
- (4) Locknuts

**Replaces:**

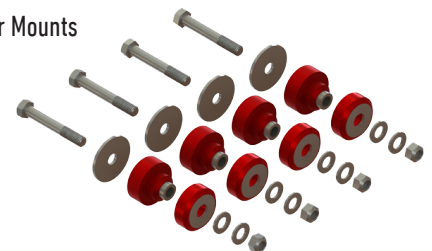

Various OEM R008839

## MM75-62001-HT

### Peterbilt Rear Motor Mount Kit-High Temp

**CONTAINS:**

- (4) MM75-62372-HT Motor Mounts
- (4) Bolts
- (4) Snubber Washers
- (8) Flat Washers
- (4) Locknuts

**Replaces:**

Peterbilt MR1001 (Motor Mount ONLY)
